

Share Your Voice. Shape Better Care.

Your experiences matter—and your feedback can help improve continuing care for you, your family, and your community.

Health Quality Alberta is inviting some residents and families to take part in the **2026 Continuing Care Homes Resident and Family Experience Surveys**.

If you are asked to take a short survey, please complete it to help continuing care homes understand what's working well and where they can do better.

What we'll ask about

- ❓ Care and support you receive
- ❓ Quality of life and compassion of staff
- ❓ Your experiences with staff, food, and more

Good to know

- ✔ **Voluntary** – your choice to participate or not
- ✔ **Confidential and anonymous** – your privacy is protected. Your answers are combined with others and individual responses are never shared.
